Tomás Solutions

35 years dressing furniture with quality and creativity

A legacy of trust

From Yecla, the birthplace of furniture in Spain, we have been supplying the essential components and accessories for upholstery, sofas, mattresses and contract projects for more than three decades. Our history is that of manufacturers and designers who bring their ideas to life with the security of working with first class materials.

Our competitive advantage

Solid track record: Three decades of supporting manufacturers and upholsterers around the world.

Excellence in quality: We select premium products to ensure durability and impeccable finish.

Personalised service: Tailor-made solutions to suit each customer's design, budget and deadlines.

State-of-the-art facilities

Located in Yecla (Spain) -the nerve centre of the furniture sector-, we have a digitised warehouse of more than 4,000 m² which allows us to:

- Manage stock in real time.
- Prepare orders with maximum agility.
- Ensure punctual and error-free deliveries.

Global presence

We collaborate with manufacturers and distributors in more than 12 countries. Our goal: to continue to expand our horizons and share our experience with new markets.

Our team

Formed by technical and commercial professionals who are passionate about furniture, our team offers: expert technical advice, close monitoring of each project and rapid response to any query.

Tomás Solutions Commitment

- Constant innovation in products and processes.
- Transparency and trust in every operation.
- Shared growth: your success is also ours.

Your project, our challenge

At Tomás Solutions we conceive each piece as a reflection of our clients' vision. Tell us your next idea and we will team up to make it a reality.

Tomás Solutions

35 años vistiendo mueble con calidad y creatividad

Un legado de confianza

Desde Yecla, cuna del mueble en España, llevamos más de tres décadas suministrando los componentes y accesorios imprescindibles para la tapicería, canapés, colchones y proyectos contract. Nuestra historia es la de fabricantes y diseñadores que materializan sus ideas con la seguridad de trabajar con materiales de primera línea.

Nuestra ventaja competitiva

Trayectoria sólida: Tres décadas apoyando a fabricantes y tapiceros en todo el mundo.

Excelencia en calidad: Seleccionamos productos de primera línea para garantizar durabilidad y acabado impecable.

Atención personalizada: Soluciones a medida que se adaptan al diseño, presupuesto y plazos de cada cliente.

Instalaciones de vanguardia

Ubicados en Yecla (España) —punto neurálgico del sector mueble—, disponemos de un almacén digitalizado de más de 4.000 m² que nos permite:

- Gestionar el stock en tiempo real.
- Preparar pedidos con máxima agilidad.
- Asegurar entregas puntuales y sin errores.

Presencia global

Colaboramos con fabricantes y distribuidores en más de 12 países. Nuestro objetivo: seguir ampliando horizontes y compartir nuestra experiencia con nuevos mercados.

Nuestro equipo

Formado por profesionales técnicos y comerciales apasionados por el mueble, nuestro equipo ofrece: asesoramiento técnico experto, seguimiento cercano de cada proyecto y respuesta rápida ante cualquier consulta.

Compromiso Tomás Solutions

- Innovación constante en productos y procesos.
- Transparencia y confianza en cada operación.
- Crecimiento compartido: tu éxito es también el nuestro.

Tu proyecto, nuestro reto

En Tomás Solutions concebimos cada pieza como el reflejo de la visión de nuestros clientes. Cuéntanos tu próxima idea y haremos equipo para hacerla realidad.

BONN MANUAL

FEATURES AND OPTIONS:

This modern style relax mechanism allows for a much more streamlined armchair design than traditional relax chairs.

The footrest is hidden under the seat.

Maximum load: 130kg.

Total design freedom thanks to:

- Different column heights available (140, 170 and 200mm).
- Different backrest designs (see page 55).
- Adjustable seat depth and backrest height.

The backrest is operated by a 500 or 600N gas spring, by a lever or by the weight of the user.

CARACTERÍSTICAS Y OPCIONES:

Mecanismo relax de estilo moderno.

Permite un diseño de butaca mucho más estilizado que con los relax tradicionales.

Reposapiés oculto bajo el asiento.

Carga máxima 130 Kg.

Total libertad de diseño gracias a:

- Diferentes alturas de columna disponibles (140, 170 y 200mm).
- Diferentes diseños de respaldos (ver página 55).
- Posibilidad de regulación en la profundidad de la sentada y en la altura del respaldo.

Respaldo accionado mediante pistón de gas de 500 o 600N, con palanca o mediante el peso del usuario.

*The pictured mechanism is an example of a composition with earmuff backrest and hand lever.

*El mecanismo de la foto es un ejemplo de composición con respaldo con orejeras y palanca manual.

BONN MOTORISED/ BONN MOTOR

FEATURES AND OPTIONS:

This modern style relax mechanism allows for a much more streamlined armchair design than traditional relax chairs.

The footrest is hidden under the seat.

Maximum load: 130kg.

Total design freedom thanks to:

- Different column heights available (140, 170 and 200mm).
- Different backrest designs (see page 55).
- Adjustable seat depth and backrest height.

Different versions are available:

- 1 motor on footrest and manual backrest.
- 2 motors (footrest and backrest).
- 3 motors (footrest, backrest and headrest).

Operated by means of control panel or buttons (see page 55).

CARACTERÍSTICAS Y OPCIONES:

Mecanismo relax de estilo moderno.

Permite un diseño de butaca mucho más estilizado que con los relax tradicionales.

Reposapiés oculto bajo el asiento.

Carga máxima 130 Kg.

Total libertad de diseño gracias a:

- Diferentes alturas de columna disponibles (140, 170 y 200mm).
- Diferentes diseños de respaldos (ver página 55).
- Posibilidad de regulación en la profundidad de la sentada y en la altura del respaldo.

Posibilidad de versiones en:

- 1 motor en reposapiés y respaldo manual.
- 2 motores (reposapiés y respaldo).
- 3 motores (reposapiés, respaldo y cabeza).

Accionado mediante distintos mandos o botoneras (ver página 55).

*The pictured mechanism features a normal straight backrest with electronics anchor.

*El mecanismo mostrado usa respaldo recto normal con anclaje para electrónica.

BONN LIFTER/ BONN ELEVADOR

FEATURES AND OPTIONS:

This modern style relax mechanism allows for a much more streamlined armchair design than traditional relax chairs.

The footrest is hidden under the seat.

Maximum load: 130kg.

Total design freedom thanks to:

- Different column heights available (110, 140 and 170mm).
- Different backrest designs (see page 55).
- Adjustable seat depth and backrest height.

Different versions available:

- 3 motors (footrest, backrest and lift mechanism).
- 4 motors (footrest, backrest, headrest and lift mechanism).

Operated by means of a control panel or buttons (see page 55).

IDEAL FOR PEOPLE WITH REDUCED MOBILITY.

CARACTERÍSTICAS Y OPCIONES:

Mecanismo relax de estilo moderno.

Permite un diseño de butaca mucho más estilizado que con los relax tradicionales.

Reposapiés oculto bajo el asiento.

Carga máxima 130 Kg.

Total libertad de diseño gracias a:

- Diferentes alturas de columna disponibles (110, 140 y 170mm).
- Diferentes diseños de respaldos (ver página 55).
- Posibilidad de regulación en la profundidad de la sentada y en la altura del respaldo.

Posibilidad de versiones en:

- 3 motores (reposapiés, respaldo y elevador).
- 4 motores (reposapiés, respaldo, cabezal y elevador).

Accionado mediante distintos mandos o botoneras (ver página 55).

IDEAL PARA PERSONAS CON MOVILIDAD REDUCIDA.

*The pictured mechanism features conical backrest with electronics anchors.

*El mecanismo mostrado usa respaldo cónico con anclajes para electrónica.

WURZBURG MANUAL

FEATURES AND OPTIONS:

Modern style relax mechanism for armchair.

The extended position offers a very large footrest. Paddle-shaped footrest.

Total design freedom thanks to:

- Different column heights available (140, 170 and 200mm).
- Different backrest designs (see page 55).
- Adjustable seat depth and backrest height.

Backrest operated by 400N gas spring with lever.

CARACTERÍSTICAS Y OPCIONES:

Mecanismo relax para butaca de estilo moderno.

Con el mecanismo extendido se obtiene una zona de reposa pies muy larga.

Reposapiés en forma de pala.

Total libertad de diseño gracias a:

- Diferentes alturas de columna disponibles (140, 170 y 200mm).
- Diferentes diseños de respaldos (ver página 55).
- Posibilidad de regulación en la profundidad de la sentada y en la altura del respaldo.

Respaldo accionado mediante pistón de gas de 400N con palanca.

*The pictured mechanism features a normal straight backrest.

*El mecanismo mostrado usa respaldo recto normal.
